

# Health Camps in India

# International Aid Trust

Christian Compassion For A Hurting World

Many of the communities where our Pastors minister have very limited access to healthcare and can't afford to pay for treatment. International Aid Trust India has been able to organise free medical camps in Telangana, Andhra Pradesh, Karnataka, Maharashtra and Odisha states

Medical, optical and dental treatments are provided free of charge.

A team of Christian doctors, dentists and nurses generously give their time for free, as do pathology staff and pharmacists, who distribute medicines prescribed. Medicines have recently been kindly donated by Joyce Meyer's 'Hands of Hope' charity.

Our team led by Bishop Kota organise the logistics, travel, food, accommodation and hospitality to operate the medical camps.

Praying together before the health camp

The photos show a health camp at the Olive Church campus in Hyderabad

which was accessed by around 500 local people including those from the Nandernavanam slum community, including 'rag pickers' who work on the rubbish dump, children from Living Hope School and their families.

**Please pray for the team to be able to hold health camps everywhere they are needed and for the love of Jesus to be reflected to all who attend. Any donations are a great help to setting up the camps.**
