

Ministry in Moldova

International Aid Trust
Christian Compassion For A Hurting World

We are able to send practical aid such as clothing, bedding, shoebox gifts and medical supplies to rural Moldova, to be received by Pastor Victor (in purple T-shirt) whose ministry covers a number of poverty stricken villages.

Many people in this region are living in very poor housing and often struggling to afford the basics of life.

The ministry includes support for elderly people and disadvantaged families, as well as providing regular meals and recreation for children and young people.

The children are pictured at an afterschool club run by the churches, sports and games equipment sent from our warehouse has been a great help.

Bernard our CEO was blessed to visit Victor's ministry in 2019 and spoke at a number of churches during his visit. Many of the people there are living in great poverty, alcohol addiction is prevalent, but the gospel is good news and transforms lives. We continue to pray for all those who gave their lives to Jesus!

We thank God for all the aid we are able to send and everyone who has donated these items. Please pray for Victor and team as they reach out with Jesus's love with people in great need. Please get in touch if you would like to know what items we are collecting at the moment to send overseas.
