

# Summer Camps in Ukraine

**In**ternational  
Aid Trust  
*Christian Compassion For A Hurting World*

Every year children's summer camps and holiday clubs are organised by the local churches in Ukraine. The young people who benefit from these include children being cared for in foster homes and those from disadvantaged families.

During the camps children receive 3 healthy and nutritious meals a day, which is very different from many of their home lives.

Every day at camp the children play team games, take part in sports, music, drama, crafts and learn about Jesus's love for them.

The dedicated leaders who volunteer their time, show great kindness and patience. Having adults who have time to listen and to have fun, makes a great difference to these children.

Valentine, now a volunteer teacher, started his journey with us as a child at a summer holiday camp in Mirgorod. He says, "100% of the children in the summer camp had their lives changed forever and I'm one of them. You gave us hope. We came from very

poor backgrounds and had never been shown such real genuine love before. Because of that time spent with loving Christian teachers, today every one of us is still involved in ministry in caring for the poor and needy. ALL of us had our lives changed so much at your camp and we have continued to share this love wherever and whenever we can."

**If you are able to donate towards these wonderful holiday camps / clubs, £5.00 will pay for a child to attend holiday club for a day, £70 will pay for a week of camp for a child.**
