

Church Outreach in Ukraine

In Ukraine we work closely with the Pentecostal Union Churches. The church pictured above at Klekhivka village, Ukraine, was planted from outreach that began with shoebox gifts and Christian holiday clubs for children.

Now the church is growing and is blessing local families with lots of after school 'master classes' for children. These are very well attended including English, computers, cookery, drama, wood burning, sewing and art and crafts.

Pastor Igor (pictured below right at after church lunch) says: "The House of God church in Klekhivka is showered with the Lord's blessings. We thank everyone who cares for this ministry, keeps us in prayers and supports us."

The Church family reach out to their neighbours and other local villages to share their faith in Jesus.

Shoebox gifts from the UK are taken to people in need and are a practical expression of God's love for them.

If you would like to find out more about putting together your own shoebox gift, that will bring joy to someone in need and help a local Church like Klekhivka to share God's greatest gift of his son Jesus, please visit the 'Get Involved' Page on our website.
