Archie tour guide!

How it works

- To join in please make a donation of £10 (you can choose to make a larger donation or to be sponsored) and email julie@internationalaidtrust.org.uk to register your interest.
- Keep track of how many miles you have walked, run or cycled each week (You could also do this on an exercise machine or just walking up and down stairs etc.).
- You email your miles in every Thursday, these are all added together and that total is how far the group has 'travelled' that week.
- We email you each Friday with the location we have reached including photos, weather and things you could do there and related activities for children.
- When we reach a place where International Aid Trust work, we will send pictures of and information about our work there, taster:

**Week
3**

We have now collectively travelled 1506 miles and arrived at Motovilovka! We will be staying in the flat above the International Aid Trust distribution warehouse, next to the Church.

We'll meet the children who live at 'House of Joy'!
You can also enjoy a stroll by the river.

- Start counting your miles from Monday 22nd February. We plan to have virtually visited Eastern Europe, India and West Africa (and other places in between) and be back at Chorley to celebrate International Aid Trust's 30th birthday in September!
