In Sierra Leone the 'Hands of Dorcas' Tailoring Trainees have practiced their skills making bags and backpacks for the Virtual Shoebox gifts. The trainees, along with some of the pastors, volunteered to help pack the gifts too.

Pastor Michael wrote about the packing: "It has been a great day and we pray that those who will receive the Gift Bags will appreciate them and give testimonies to the Glory of God!!"

Pictures show gift bags being distributed in Gbenty Bolloh, a very poor village community. The gentleman below right is Pa Kabba, who was the first to welcome Pastor Michael and Alice and the team in his village. Since then he has given his life to Jesus! Pa Kabba was speechless at receiving his gift.

Below is Ya Poroh, receiving her gift bag. Pastor Michael writes: "She will be about 78 years. She is among the poorest of the poor. She lives in a makeshift house that may harbour snakes and scorpions. We have often visited her to evangelise The Word to her. Ya Poroh was always keen to listen to the Word of God. Today we brought her an unexpected gift of love."

Give thanks for everyone who has donated towards Virtual Shoeboxes and Gift Bags and for all those who have made bags and packed gifts. Please pray that each gift is a blessing to the person who receives it and points them to God's goodness and kindness. Give thanks that Pa Kabba has come to know Jesus, please pray that Ya Poroh does too.
